Dear Parent,

Great news! Our school has partnered with Smile Virginia to offer in-school dental care. [CLICK HERE](#) to sign up your child today.

Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and Virginia FAMIS. A low cost self-pay option is available for those without insurance.

Convenient and comfortable

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals. Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in some cases, restorative care such as fillings.

Dental care for a healthy life

Children who see a dentist regularly may have fewer health issues like:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development

Help keep your child healthy, in school and learning.
